

Lamiedge DSP508

Heavy duty, reusable, inner ring for protection of high value coils

Product Performance*		
Product Characteristics		Test Method
Material	PC	
Colour	Black	
For coil eye diameter	508 mm	
Thickness (nom)	4 mm (± 0.5)	
Height of segment (A)	220 mm (± 5)	
Width of segment (B)	120 mm (± 5)	
Depth of cone (C)	125 mm (± 5)	
Weight	1.4 kg (± 0.5)	
Izod notched	65 kJ/m ²	ISO 179
E-Module	2300 MPa	ISO 178

Technical and isometric values are subject to change.

Supply options

Other outer surface colors available on request

Form of delivery: 60 rings/pallet in 2 stacks, pallet dimension: 700x1400mm, pallet height 1250mm

*DSP™ is also available for coil eye diameters 420mm, 508mm and 590mm, on demand according to quantities
