

IL-X....- S1-22B series Sirens

Technical data - Electrical ratings

| | |
|----------------------------------|--------------------|
| Voltage supply | 220 VAC |
| Power consumption for each color | 250W |
| Motor speed | 16000 rpm |
| Dimensions | 136 x 222 mm |
| Weight approx | 2,26 kg |
| Housing material | Aluminium |
| Base material | Aluminium |
| Connection | Unterminated cable |
| Siren Loudness | 105 dB |
| Protection | IP40 |

CE

Temperature

High IP value

Shock / Vibration resistant

Magnetic field proof
